Truffle Industry Best Practice Workshops

Developing a “Best Practice” model for the Industry Value Chain

This comprehensive project is vitally important for future industry development.

We need your assistance with the development of the project and invite all growers, members and non members to join in.

There are 2 online options and 1 face to face option (NSW)

Learn why growers and the industry will benefit from this project.

Provide your input and feedback on the initiative.

TWO ONLINE WORKSHOPS

09/04/2024 - 5.30PM (EST)
